## Profile

Senior Physician (Oberarzt) in Internal Medicine with specialist expertise in gastrointestinal oncology and advanced endoscopy. Graduate of the MSc Advanced Oncology programme at the University of Ulm (June 2025). Proven track record in multidisciplinary cancer care, clinical research, and leading patient-centred teams across complex hospital environments.

## Key Projects

### AI-Assisted Imaging Pathway

Piloted an AI-enhanced workflow for complex endoscopic resections, improving lesion detection sensitivity by 14%.

### Integrated Oncology Navigation

Co-created a navigation programme that reduced time-to-treatment for gastrointestinal cancer patients by 20%.

## Professional Experience

### Oct 2024 - Present

Senior Physician (Oberarzt)

Department of Internal Medicine, Asklepios Klinik Lich, Germany

- Lead the gastrointestinal oncology service with advanced diagnostic and therapeutic endoscopy.
- Coordinate tumour boards and streamlined care pathways across multidisciplinary teams.
- Drive quality improvement initiatives and mentor junior physicians.

### Jan 2024 - Sep 2024

Senior Physician

Central Interdisciplinary Endoscopy Unit (ZIVE), University Hospital of Giessen and Marburg

- Directed high-volume endoscopic services using enhanced imaging and AI-supported techniques.
- Implemented sedation safety protocols that lowered adverse events by 18%.
- Designed a cross-specialty endoscopy training curriculum.

### Jul 2023 - Dec 2023

Consultant in Internal Medicine

University Hospital of Giessen and Marburg

- Managed complex inpatient oncology caseloads with individualised therapy plans.
- Introduced symptom-management pathways that improved patient-reported outcomes.

## Professional Experience (continued)

**Jan 2017 - Jun 2023**

Resident Physician

University Hospital of Giessen and Marburg

- Completed rotations across internal medicine subspecialties with emphasis on gastroenterology.
- Contributed to clinical trials investigating targeted therapies for gastrointestinal malignancies.

**Sep 2012 - Dec 2015**

Resident Physician

Greater Accra Regional Hospital, Ghana

- Provided acute medical care in resource-limited settings.
- Led community screening initiatives for colorectal and hepatobiliary cancers.

## Education

### MSc Advanced Oncology

University of Ulm, Germany

Oct 2022 - Jun 2025

Thesis focused on optimising endoscopic management protocols for hepatobiliary tumours.

### MBChB, Medicine and Surgery

Kwame Nkrumah University of Science and Technology, Ghana

Sep 2009 - Jun 2012

### BSc Human Biology

Kwame Nkrumah University of Science and Technology, Ghana

Aug 2006 - Sep 2009

### Senior Secondary School Certificate

Presbyterian Boys' Senior High School (PRESEC), Ghana

Sep 2002 - Jul 2005

## Certifications

2023 - Specialist in Internal Medicine

2023 - Subspecialty in Palliative Medicine

2016 - German Medical Licence

2012 - MBChB Registration, Ghana Medical and Dental Council

## Key Skills

Leadership and multidisciplinary team coordination Clinical research design and protocol development

Advanced endoscopy and interventional gastroenterology Quality and patient safety governance

Clinical oncology and palliative medicine pathways Languages: Akan (native), English (fluent), German (fluent), French (basic)

## Research & Publications

Research interests cover gastrointestinal oncology, advanced endoscopic imaging, and the integration of digital health within oncologic care. Publications and case series available on request.
